The examiner has studied applicants' remarks as articulated in the response filed 2-27-2004. the examiner agrees with said remarks and will withdrawn the restriction as set forth in the earlier office action. Claims 58-111 are thus before the examiner for examination.

The instant application has been further examined. Claims 58-78 and 103-111 are indicated as allowed. Claims 79-102, previously withdrawn, are rejoined and also allowed.

16

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Hackman (5571628) is cited of interest for its teachings as set forth and additionally to show the state of the art.

17

The following is an examiner's statement of reasons for allowance: The claimed invention is deemed unobvious over the cited art of record because such art does not teach or reasonably suggest the overall aspects of a fiber-reinforced, thin walled component comprising a cement matrix made of a superfine cement and fluidizers in
